SECURITY & FIRST AID

Participation in Kulturhavn Festival activities is at your own risk. Always follow the recommendations offered by the responsible organiser/association.

The police is present during the festival, both on land and at sea, and life-guards in two boats keep watch of the harbour.

A medical and first aid facility is found by the festival area at Islands Brygge.

Swimming spots and guidelines: Please feel free to enjoy a refreshing harbour dip, but always make sure to use one Copenhagen's official swimming spots. They are your guarantee of clean water, safety, and no boat traffic.

Children: Kulturhavn is a diverse festival with activities for festival guests of all ages. However, we have a particularly high number of activities for children aged 3-12 years. Children must be under parental supervision when engaging in activities. Some activities have minimum age and height requirements.
